

# RIFLESSI BIETESI

 **ACIF**  
nuova vita alla casa

Riflessi propose une collection inhabituelle inspirée des surfaces de miroirs anciens, oxydées par les agents atmosphériques et ternies au fil du temps. Chaque détail est mis en valeur par les finitions rodé brillant et rodé mat qui donnent des effets esthétiques et de matière originaux. **Déclinée en quatre couleurs: Perla, Argento, Topazio et Zaffiro**, la collection est idéale pour les environnements publics et privés d'impact visuel garanti.

Le décor Frammenti, composé de fragments de miroirs harmonieusement disposés en surface, et le décor Gemma, qui reproduit des décorations stylisées anciennes, ornent la collection en ajoutant de nouveaux reflets de style.

---

Riflessi ist eine neue Kollektion, die sich an den Oberflächen von antikisierten, durch Witterungseinflüsse oxidierten und von der Zeit mattierten Spiegeln inspiriert. Ein jedes Detail wird anhand geläpft glänzender und geläpft matter Oberflächenausführungen hervorgehoben, die originelle ästhetische und stoffliche Effekte erzeugen. **Die in den vier Farben Perla, Argento, Topazio und Zaffiro** ausgeführte Kollektion eignet sich hervorragend für öffentliche und private Bereiche mit starker visueller Wirkung. Das aus harmonisch auf der Oberfläche angeordneten Spiegelsplittern bestehende

Dekor Frammenti und das antike stilisierte Dekorationen aufgreifende Dekor Gemma verzieren die Kollektion und fügen weitere stilistische Reflexe hinzu.

---

Riflessi propone una inédita colección inspirada en las superficies de espejos de efecto antiguo, oxidados por los agentes atmosféricos y empañados por el paso del tiempo. Cada detalle se ve puesto de relieve por los acabados esmerilado brillante y esmerilado mate, que transmiten efectos estéticos y matéricos originales. **Articulada en cuatro colores —Perla, Argento, Topazio y Zaffiro—**, la colección resulta ideal para revestir ámbitos públicos y privados de gran impacto visual.

La decoración Frammenti, realizada con esquirlas de espejos armoniosamente dispuestas sobre la superficie, y la decoración Gemma, que reproduce antiguos ornamentos estilizados, adornan la colección aportando reflejos adicionales de notable estilo.

Riflessi propone un'inedita collezione ispirata alle superfici di specchi anticati, ossidati da agenti atmosferici e opacizzati dal trascorrere del tempo. Ogni dettaglio è messo in risalto dalle finiture full lappato e lappato matt che restituiscono effetti estetici e materici originali.

**Declinata in quattro colori: Perla, Argento, Topazio e Zaffiro, la collezione è ideale per ambienti pubblici e privati di grande impatto visivo.**

Il decoro Frammenti realizzato da schegge di specchi armoniosamente disposti sulla superficie, e il decoro Gemma, che riproduce antiche decorazioni stilizzate, adornano la collezione aggiungendo ulteriori riflessi di stile.

Riflessi is an original collection inspired by the surfaces of antique mirrors, oxidized by atmospheric agents and dulled by the passage of time. Every detail is emphasized by the gloss semi-polished and matt semi-polished finishes, which produce original aesthetic and tactile effects.

**Available in four colours - Perla, Argento, Topazio and Zaffiro -, the collection is ideal for public and private areas with a striking visual impact.**

The Frammenti decor made from mirror shards harmoniously arranged on the surface, together with the Gemma decor which reproduces old stylized decorations, adorn the collection, adding further stylistic reflections.
