# ASCEND STONE™

With white and gray color tones, linear veining and rectangles, Ascend translates the most distinctive design trends of today into an exquisite natural stone product. Featuring classic marble, Ascend delivers a captivating mix of color movement and finishes. Contemporary mosaics further distinguish this line and include hexagon, modern stacked stone, leaf, and chevron shapes.

Cover and above photos feature Ascend Open Horizon Marble 12 x 24 polished on the floor and wall.

NOTES

Natural stone products inherently lack uniformity and are subject to variation in aesthetics (color, shade, finish, etc.) and performance (hardness, strength, slip resistance, etc.). Natural stone products do not meet minimum coefficient of friction thresholds recommended by safety standard setting organizations. No warranties, expressed or implied, relative to merchantability or fitness for a particular purpose are made regarding the natural stone products distributed by American Olean. Check local building codes prior to specification or installation to verify that product technical characteristics comply with required parameters.

The existence and dimensions of a bevel may vary from lot to lot. Be sure to request a sample of the specific lot you are planning to order if the bevel is an important feature of your job.

For additional application and technical information, refer to the "Stone Usage Guide" at [americanolean.com/sug](http://americanolean.com/sug).
