norian

The Norian Collection draws inspiration by the Limestone formations that bore witness to the steady passage of life on earth, leaving us a philosophical and physical legacy to be incorporated into design and architecture.

As a masterpiece of nature, Limestone features organic and fluid lines that simulate a visually tactile textured surface, allowing you to experience the timeless essence of this ancient stone in your everyday life. Available in four neutral tones and two finishes: matte and polished. The Norian Collection is a versatile addition to all types of interior environment, effortlessly harmonizing with a range of decor styles, from classic to contemporary, while simultaneously conveying a sense of calm, organic, grandeur.

La Colección Norian se inspira en las formaciones de piedra caliza que han sido testigos del constante paso de la vida en la Tierra, dejándonos un legado filosófico y físico que se incorpora al diseño y la arquitectura.

Como obra maestra de la naturaleza, la piedra caliza presenta líneas orgánicas y fluidas que simulan una superficie texturizada visualmente táctil, permitiéndote experimentar la esencia atemporal de esta antigua piedra en tu vida cotidiana. Disponible en cuatro tonos neutrales y dos acabados: mate y pulido, la Colección Norian es una adición versátil a todo tipo de entornos interiores, armonizando fácilmente con una variedad de estilos de decoración, desde clásicos hasta contemporáneos, al mismo tiempo que transmite una sensación de calma y grandeza orgánica.
